

# Development opportunity

## Grow your contacts: Networking

Build your network by attending industry events, conferences, seminars and workshops. Use LinkedIn and other social media to connect with professionals in your field.

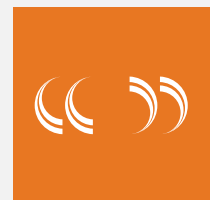

### How it develops talent

Helps to build confidence and communication skills. Provides a platform for sharing ideas and experiences. Encourages learning from others and developing new perspectives. Builds a sense of community and support.

### How to deliver it

Organize regular networking events, such as seminars, workshops, and conferences. Encourage staff to attend industry events and conferences. Use social media to connect with professionals in your field. Encourage staff to share their experiences and insights with others.
