

Moving Up

Developing the diversity of leaders in adult social care

The events of the past year have once again sparked much needed conversations surrounding race and diversity. For many this has been a time of reflection, while countless others have joined the global movement to fight racial inequality. More than ever before, it's important to offer opportunities and support to those from diverse backgrounds who wish to fulfil their career goals.

Our Moving Up programme is aimed at Black, Asian and minority ethnic leaders who are wanting to take the next step in their learning and development. The programme itself supports managers who have the desire and drive to progress in their career, but are facing blockages and resistance preventing them from doing so.

The Moving Up programme has been running for 11 years!
